MEMORANDUM

To: Sawmill Cove Board of Directors
From: Garry White, Director
Subject: Elisa Lane Lease Request

Request

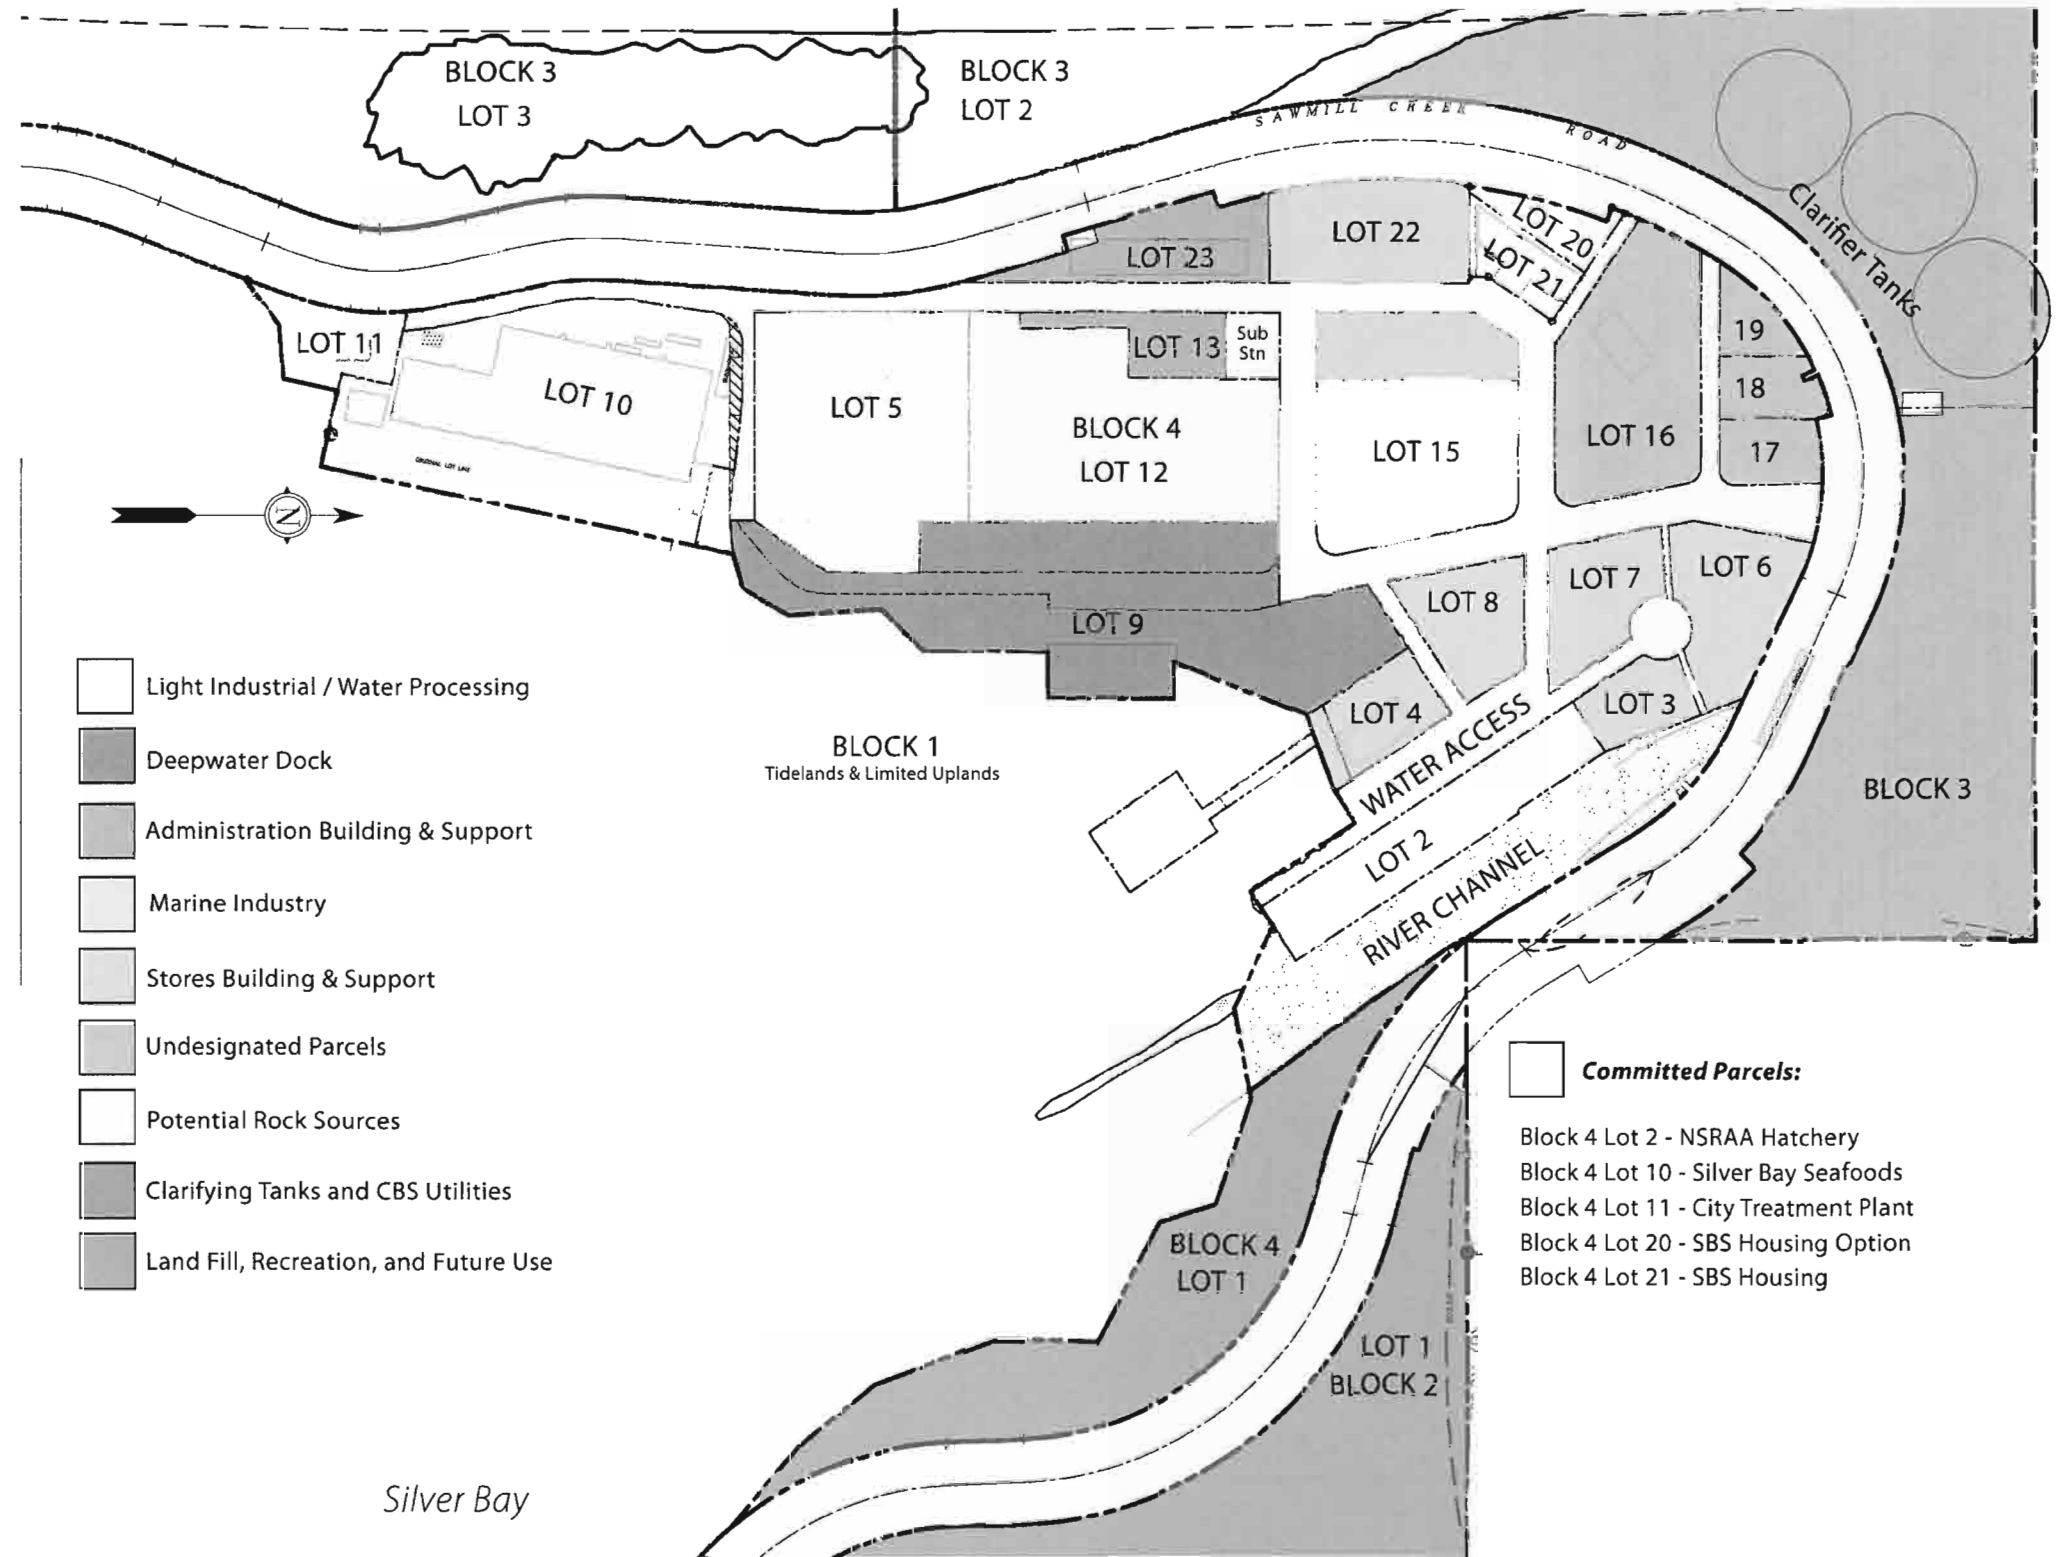

Elisa Lane is requesting to lease space in the SCIP for her horse and carriage riding business. Ms Lane's mission is to provide clean and healthy alternative exercise for the entire community. She currently provides rides for disabled people and other groups in Sitka. Ms. Lane has purchased a 40' container in which she houses her carriage, riding tackle and hay. She would like to find a space at the park to store the container. She would also need appropriate space to construct a barn to house the horses. Plus she will need an area to allow the animals to walk around in between carriage rides. She would also need access to city water.

SCIP Land Available

Lots 16, 17, 18, or 19 would be the most likely area for Ms. Lane's needs. Attached is the land use map and square feet associated with each lot.

Action Item

1. Does this type of business fit with the mission of the SCIP?
2. What Lot would be considered for lease?
